

Dear Partners in Ministry,

THANK YOU for your **PARTNERSHIP** in ministry in Cote d'Ivoire. This past weekend we celebrated Easter with footwashing and a baptismal. Over 70 believers participated in washing one another's feet, many for the first time, as a sign of their servanthood one for another. Then 39 new believers from 5 churches were baptized to testify to their new faith in Christ. On Easter Sunday, 288 persons gathered in vibrant worship in the new sanctuary of the Yamoussoukro building. Similar services of celebration were taking place in congregations around Cote d'Ivoire. **This was possible because of your involvement in ministry here with us in West Africa! THANKS!**
