

Sellers Sequel

April/May 2007

So many unique things have happened in the life of the Church in Cote d'Ivoire and our lives that we just could hardly wait to write the next update!

Once we returned from the Women's Conference in the north, IBAO opened up for its second module. It was a JOY to see the students come back. It was a packed two weeks with the Church's 10th Anniversary, General Assembly, an ordination service, and IBAO's opening ceremony and classes, with visiting pastor Kerry Robinson and son Kyle from Anderson, Indiana.

Laura and Lee arrived home for 2 weeks of Spring break! It went so very fast! They returned to Senegal on Monday after Easter.

The Easter celebration was marked by a moving foot washing service on Maundy Thursday.

10th Anniversary of the Church of God In Cote d'Ivoire

On the 11th of March we celebrated the 10th Anniversary of the Church of God in Cote d'Ivoire. Though the economic situation hindered many from coming, still more than 250 believers from most of the 18 congregations around the country were present for the occasion. Below is a photo of most of the Pastors and wives who were in attendance at this celebration. Dr. Kerry Robinson of Anderson, IN was our special guest speaker.

Ordination of Pastors Daniel & Emmanuel

The Ordination Committee of the Church of God in Cote d'Ivoire recognizes the CALL of God and RESPONSE of these two young pastors to His leading. We rejoice with them as they seek to follow the CALL of God on their lives. Please join us in praying for these two young pastors as they continue on this new journey in their lives, as well as for their families.

Please note we will be going on Home Assignment, starting July 15, 2007. Please use the following address:
