

UPDATE

May 2, 2007

Dear Living Link,

Since returning to the States on March 12, we have once again taken up the challenge to share about what God has been doing in Africa, where we are knowledgeable, with a few of our Living Link churches and individuals. Since we are only in the States for a short time, we couldn't visit you all, for which we regret. Nevertheless, for those we will visit, we want to be a blessing and an instrument in God's hands to awaken others to God's call upon their lives to serve Him 100% daily.

Kay has recovered very well from her surgery. Thank you for your prayers on her behalf. She joined Sherman in Kansas after three weeks of rest.

We were so blessed to have our son Ryan, who resides in Oklahoma City, join us in Wichita over Easter weekend. Together we worshiped with Kay's nephew and his family. Another highlight was going to see AMAZING GRACE. It is a MUST SEE. Of course, our being tied to Africa made it a very special event, but the profound faith of John Newton and William Wilberforce permeates everything they do and brings forth the historical social abolition of slavery that caused a domino effect around the world.

Our travels thus far have been very good. Three congregations in Kansas received us as we faced the fickleness of our temperate climate. From there we were in Illinois for two assignments before returning to Anderson. We were privileged to share in a WCG convention in Kentucky and then a Faith Promise weekend in Canton, Ohio.

This Friday, May 4, we leave for Louisiana, where we will be in 4 churches for 2 weeks. From there we will visit one congregation in Bessemer, Alabama, and one in Springdale, Arkansas before moving on to Lebanon, Missouri and ending up at Pittman Road, Kansas City, Missouri.

Our last tour will be in Michigan for the first two weeks of June. Then it will be NAC time!! We have two conferences to lead: one for Mission Africa and one for Global Missions. Our departure date is June 30, the Lord willing.

Keep us in your daily prayers. We desire to be effectual in the Lord's work.

Together in Christ Jesus,

Sherman and Kay Critser *Project # 42.10045*
