### Celebration and SURPRISE!

The first week of June found us as a family in Dakar, Senegal. We were there to celebrate Laura's graduation from Dakar Academy. When Laura was born 18 years ago in Haiti, her maternal grandmother, Sonja Rathfelder, was present with us. We thought it would be a rather unique and special time to have her with us at Laura's 18<sup>th</sup> birthday and graduation. Plans were made in advance for this to be a "**BIG SURPRISE**" for Laura!

Laura has progressed to a different cap!

Indeed we were successful in this event! It was such fun to see her nearly fall down when she saw her Grandmother sitting at the Guesthouse in Dakar, Senegal. (We have some great photos of this event!) We are very proud of Laura who is now a graduate from High School and is just about to enter into the next phase of her life . . . COLLEGE. Laura will be a student at Anderson University this year. Please pray for her as she adjusts to living in the United States.

### 2007 VACATION BIBLE SCHOOL in Cote d'Ivoire

This is the first year that a team has gone to the village of Djapagui near the border of Liberia. This is a brand new congregation that has only been in existence about 2 years! It is a joy to see these little guys' faces light up as they are playing with the parachute during VBS! Please rejoice with us that God's love is reaching out into new areas!

### PRAYER and THANKSGIVING !

- For our adjustment to living in the U.S.
- Our time of Sharing with our supporting congregations.
- For the students at IBAO, next session is set for September 17 - 28<sup>th</sup>.
- God's provision of New Missionaries to come and work with us.
- Thanks for His protection when we hit a deer unexpectedly.
