

Happy New Year 2007

We want to take the opportunity to say "Thank You" for your prayer and financial support of our family this past year. This has been a year of major change in our lives. (Just take a look at the photo—yes, these are our two children, Laura and Lee) Both Laura and Lee now attend Dakar Academy in Dakar, Senegal. We have been thankful to have them home for the holidays, though the time has passed all too quickly. We will have a few days at the beach together before they fly back to Dakar on January 13th.

We have to get right back to Yamoussoukro on the 14th to receive our first group of students to IBAO. Orientation begins on the 15th for this group of as many as 17 current and future leaders from two countries: Cote d'Ivoire and Burkina Faso. We are both involved in leading orientation sessions and in other roles in order to get all the bases covered for opening day and beyond. However, we still have a lot to get ready: equip dorm, make desks and chairs for classroom, set up an office, send out letters of acceptance, prepare orientation materials, and so much more!! We would appreciate your prayers for us and for the students coming from far distances. Though tuition is only \$10 per two-week module course, many are finding it difficult to pay this in addition to their transport, food, and lodging costs. If you would be led to help with these expenses, please designate your gift to Project number 40133 for IBAO student assistance sent to Global Missions of Church of God Ministries.

Blessed by You and Blessings to You,

Larry and LeAnn Sellers
In Cote d'Ivoire, West Africa
